A big thank you to all runners for making this the most popular Roger Simpson of Highworth 10k yet ! We hope that you all found it an enjoyable event. Should you have any comments on how the race may be improved we would welcome your views. We hope to see you all back again next year for an even better day !

Congratulations to all the category winners and particularly to Ceri Pritchard for setting a new ladies course record.

A special thank you as well to Terry Hayward for playing the clown around the course again.
